Who was Harvey Milk?

Harvey Milk was California's first openly gay public official. He and San Francisco's mayor were tragically assassinated in the City Hall by a disgruntled former member of the Board of City Supervisors. Harvey Milk (1930-1978) was influential not only in his public service but also in his unrelenting advocacy and support for the rights of gay people around the world.

Who stars in the Movie?

Sean Penn stars as Harvey Milk in a stunning performance that has helped audiences around the world understand the struggles and discrimination faced by all LGBTQ+ people everywhere. In 128 minutes, the film helps viewers better understand the importance of Milk's message and the legacy of his hope, perseverance, and love. This "R" rated film is a powerful storytelling event with poignant performances. The movie celebrates and demonstrates the impact one person can have on the world.
